

SAFEGUARDING CHILDREN & VULNERABLE ADULTS POLICY

Let Loose! Adventure Park

1 Introduction

- Let Loose! Adventure Park is a for-profit organisation run by: Private Limited Company
Company Number: 08560634
- Let Loose! Adventure Park is based at:
Hull Road,
Woodmansey,
Beverley,
East Riding of Yorkshire
HU17 0RT
- Let Loose! Adventure Park is managed by a management team (the Team). One of the management team has particular responsibility for safeguarding children.
- The Team has adopted this safeguarding children policy and expects every adult working or helping at Let Loose! Adventure Park to support it and comply with it. Consequently this policy shall apply to all staff, managers, trustees, directors, volunteers, students or anyone working on behalf of Let Loose! Adventure Park.

2 Purpose of the Policy

- 1 This policy is intended to protect children and young people who receive any service from us, including those who are the children of adults who may receive services from us.
- 2 As an organisation we believe that no child or young person should experience abuse or harm and are committed to the protection of children and young people and this policy is intended to provide guidance and overarching principles to those who represent us as volunteers or staff, to guide our approach to child protection and safeguarding.

3 The risks to children

Nearly every child grows up in a safe and happy environment and it is important not to exaggerate or overestimate the dangers. Nevertheless, there are situations where children need protection including:

- Sexual abuse
- Grooming
- Physical and emotional abuse and neglect
- Domestic violence
- Inappropriate supervision by staff or volunteers
- Bullying, cyber bullying, acts of violence and aggression within our schools and campuses
- Victimisation
- Self-harm
- Unsafe environments and activities
- Crime
- Exploitation

4 Universality of Protection

We recognise that:

- the welfare of the child is paramount
- all children regardless of race, gender, religious belief, disability, age, sexual orientation or identity have a right to equal protection from harm.
- some children are more vulnerable to harm as a result of their circumstances, prior experiences, communication needs or level of dependency.
- working with children, young people, their parents and/or guardians, carers or other agencies is essential to protecting their wellbeing.

5 Safeguarding children at events / activities

1 There are three kinds of events/activities:

- 1.1 those open to adults and children of all ages,
- 1.2 those for children accompanied by a 'parent',
- 1.3 those for unaccompanied children, which are sometimes run alongside other events/activities.

2 At events and activities open to all ages, children under 16 must be accompanied throughout by an adult over the age of 18 who not only brings the child but also takes the child home again afterwards. Young people aged 16 or 17 may attend unaccompanied if they bring the written consent and mobile telephone number of one of their parents.

3 At events and activities for children accompanied by a 'parent', children under 16 must be supervised throughout the event by an adult over the age of 18 who not only brings the child to the event but also takes the child home again afterwards. If a lone adult brings more than one child, then the children will have to stay together, so that the one adult can supervise them. Young people aged 16 or 17 may attend unaccompanied if they bring the written consent and mobile telephone number of one of their parents.

4 At events and activities for unaccompanied children, children under the age of 16 must be enrolled by a responsible adult before being left with the event leader. The enrolment must record the child's name, age and address and the names and addresses of the child's parents, plus the parents' mobile telephone numbers. Young people aged 16 or 17 may attend unaccompanied if they bring the written consent and mobile telephone number of one of their parents.

5 Both event and activities are to be defined broadly to include any occasions where Let Loose! Adventure Park will be providing a service.

If physical restraint is absolutely necessary to prevent injury to any person or to prevent serious damage to property, then the minimum necessary restraint may be used — but for that purpose only.
